#### Most Excellent.

J. J. Atkins, Chief of Police, Knoxville, Tenn., writes: "My family and I are beneficiaries of your most excellent medicine, Dr. King's New Discovery for Consumption; having found it to be all that you claim for it, I desire to testify to its virtue. My friends to whom I have recommended it, praise it at every opportunity."

Dr. King's New Discovery for Consumption is guaranteed to cure Coughs, Colds, Bronchitis, Asthma, Croup and every affection of the Throat, Chest and Lungs. Trial Bottles free at Joe LeCompte's Drug Store. Large size \$1.00.

### An Efficient Remedy

In all cases of Bronchial and Pulmonary Affections AYER'S CHERRY PECTORAL. As such it is recognized and prescribed by the medical profession, and in many thousands of families, for over forty years. It has been regarded as an invaluable household remedy. It is a preparation that only requires to be taken in very small quantities, and a few doses of it administered in the early stages of a cold or cough will effect a speedy cure, and may, very possibly, save life. There is no doubt whatever that

### Ayer's Cherry Pectoral

Has preserved the lives of great numbers of persons, by arresting the development of Laryngitis, Bronchitis, Pneumonia, and Pulmonary Consumption, and by the cure of those dangerous maladies. It should be kept ready for use in every family where there are children, as it is a medicine far superior to all others in the treatment of Croup, the alleviation of Whooping Cough, and the cure of Colds and Influenza, ailments peculiarly incidental to childhood and youth. Promptitude in dealing with all diseases of this class is of the utmost importance. The loss of a single day may, in many cases, entail fatal consequences. Do not waste precious time in experimenting with medicines of doubtful efficacy, while the malady is constantly gaining a deeper hold, but take at once the speediest and most certain to cure.

Ayer's Cherry Pectoral,  
PREPARED BY  
Dr. J. C. Ayer & Co., Lowell, Mass.  
Sold by all Druggists.

## FRANKFORT ROUNDABOUT.

Entered at the post-office at Frankfort, Kentucky as second class mail matter.

GEORGE A. LEWIS.  
Editor and Publisher.

FRANKFORT, APRIL 17, 1886.

Mr. Dan. Kenedy, flagman in the yard at the depot, was so unfortunate as to get his right hand caught between the draw hooks of two freight cars he was endeavoring to couple Saturday morning and had the first finger badly mashed.

The week of prayer will be observed at the Christian Church next week. Rev. Mr. Cobb having notified Rev. Geo. Dursie that he would not be able to come to assist him in his protracted meeting until a week later, that meeting will not be commenced until week after next.

Col. S. I. M. Major, our Representative, had passed through the House of Representatives on Monday a bill repealing the act requiring all persons to pay their city taxes and register sixty days before the election in order to be eligible to vote for Councilmen for this city. If this move is intended to help Col. Major into the Council next December we fear he will be left.

The body of Mr. Clint. Sullivan, the tailor, who has been missing since Monday night of last week, was found Wednesday morning hanging to a bush on the river bank near the mouth of Benson a short distance below where it is supposed he fell in. An inquest was held over the remains Wednesday by Coroner Phyllan and a verdict of accidental drowning returned. The funeral took place Thursday afternoon in Belle Point.

Jerry Little, one of the leaders in the celebrated Breatheth county feud of several years ago, who is said to have had so much lead fired into his ears during his many fights, that he cannot swim in water, was in the city the first of the week, having come down on a raft of logs. He swore off drinking about two years ago and has since been a quiet law-abiding citizen. His father, Jason Little, Jr., also came down with the party.

In tearing down the wall of the northeast corner of the old Public School building Tuesday morning, the deposit in the corner stone, placed there with Masonic ceremonies by Dr. J. M. Mills, acting as Grand Master, in April, 1838, was found to light. It was incased in a tin box and deposited in a cavity in the stone work of the foundation. The top of the box had rusted through and many of the articles were so badly decayed as to be almost unrecognizable and some of them entirely so. The contents consisted of a copy of the semi-weekly Frankfort Commonwealth, of April 26, 1867, containing the law under which the school was organized, entitled "An act for the better organization of the Public Schools of the City of Frankfort," and a copy of the same paper of April 10, 1868, and of the Kentucky Yeoman of April 26, 1868; ten cents in paper; ten cents in silver; a Confederate 25 cent bill; a nickel of the coinage of 1868; a Canadian copper coin of the size of an old fashioned one cent piece; a French coin of the same size and metal; a set of county annual per capita school tables; the report of Z. F. Smith, superintendent of Common Schools, for the year 1866; proceedings of the 34th annual session of the State Teachers Association held in Bowling Green and Mammoth Cave, July 30 and 31, 1867; a copy of National School of Science, by Gilmann; a special report on the Common School system of Z. F. Smith, for the year 1867; report of Institution for the Education and Training of Feeble-minded Children for 1866-67; a small Bible, and a list of the officers of the State, county, and municipal government. The paper on which the latter was written is badly decayed and the ink faded out, so that only a word here and there can be made out, so as to enable one to tell what it is.

Mr. John Haley, one of the contractors for removing the walls, brought the box over to Mr. W. S. Dehoney, secretary of School Board, and it is now on exhibition in his store.

Soda water, ginger ale and mead constantly on tap at J. Wetzel, Jr's.

Jas. Hoeny has just received 5,000 pounds of Lexington flour. Call and try it.

A number of large fish have been caught in Brown's bottom in the last few days, having been left there by the receding lake water from the river, which came around in there during the recent rise.

Some handsome improvements are being made upon the Baptist Church. A nich for the organ is being built in the south wall, near the pulpit, beautiful stained glass windows and new pews are to be put in.

### A Reliable Article.

For enterprise, push and a desire to get such goods as will give the trade satisfaction Hughes & Gillies, the Druggists, lead all competitors. They sell Dr. Bosonko's Cough and Lung Syrup, because it's the best medicine on the market, for Coughs, Colds, Croup and Primary Consumption. Price 30 cents and \$1.00. Samples free.

Mr. Jerome Wetzel, Jr., has opened his ice cream saloon for the season and will keep constantly on hand all kinds of ice creams and sherbets, and will be pleased to have his friends call and see him. He also has his soda fountain in operation and is ready to furnish a cooling drink to the thirsty, either soda, ginger ale or mead.

The City Council on Tuesday night rescinded their action in regard to the school building. In view of the fact that the committee have advertised for plans, and they will have to be paid for when presented by the architects, it strikes us as childish to go back on their action now. This is an exceedingly important matter, in which the entire city is deeply interested, and our citizens have a right to expect their representatives to legislate for the best interests of the city and not like a lot of children, who wish to vent some personal spite.

Owen LeCompte, son of Mr. Wm. LeCompte, who lives near the Forks of Elkhorn, was in town Thursday and gave an exhibition of an electro-magnetic, or some other unusual power possessed by him, before a small company of gentlemen at the Court House. He is a lad of about fourteen years of age, slightly built and with but little natural strength, yet he could let the strongest man place an ax handle on the floor and attempt to hold it down with hands and knees, and then with little or no effort pull it away from him. Or if someone would sit in a chair, place the ax handle against their knees, hold on as hard as they could with both hands and get another man at each end of the stick, all endeavoring to hold it down, he would take it by the middle and raise it as high as his head. These together with some of the feats with chairs performed by the Georgia girl he could do with apparently no effort. He has been possessed of the power about four years, but has never given a public exhibition before, and was somewhat timid. When trying these experiments his fingers would become as cold as though lifeless. He is a remarkable youth.

Mr. W. L. Graham was summoned to Lagrange Thursday by the dangerous illness of his mother, who is visiting her daughter, Mrs. M. J. Clark, near that place.

## OBITUARY.

IN MEMORIAM OF P. J. PARKER.

Patrick J. Parker, one of the best and most highly esteemed men in Frankfort, died at his father's residence on the night of the 21st instant. His disease being that fell destroyer of so many lives—consumption. Several years ago he contracted a severe cold and thoughtlessly neglected it in its early stages. Twelve months ago, in the hopes of fully regaining his health, he sought the climate of Florida, and thence went to Colorado. His stay, however, was only temporary and he returned to the city of his birth to pass his remaining days on earth among those who were near and dear to him. He was afflicted by food habits and the best medical skill was summoned to prolong his life. In God in his infinite wisdom saw proper to take him away in the prime of manhood. Though but twenty-three years of age, "Pat" Parker, as his associates and legion of friends were wont to call him, had made an established character as a good Christian, and when that he was a young man of the purest morals, remarkably charitable, amiable and modest in all his words and ways, with absolutely no fault or even blemishes of character that his friends were ever able to detect. At his funeral, which took place from the Church of the Good Shepherd and was very largely attended, Rev. Father Young conducted his life and character in terms that fully endorsed the high reputation which had been so justly earned by him. His remains were laid to rest in the cemetery of the Good Shepherd and left his comrades in tears. Peace to his ashes. Cherished be his memory.

"The rose will bloom above his grave,  
And golden zephyrs fling their  
And the distant, moaning wave  
Will breathe for him a gentle prayer." D.

We understand that an enterprising postmaster in this county is selling the unclaimed Roundabouts left in his office, and has gotten up quite a trade in that line. We would suggest to the gent that if he does not make enough out of his office without resorting to this means to raise the wind, he had better throw up his job and hire himself out as a farm hand.

### An Englishman's Testimony.

I feel it my duty to the thousands who suffer from Blood Poison to give my experience with that horrible disease and the wonderful effect of Swift's Specific in its treatment. I am a native of England, and while there I contracted the terrible disease, and for two years I was under treatment as an out door patient at Nottingham Hospital, but was not cured. I suffered the most agonizing pains in my bones, and was covered with sores all over my body and limbs. I had vertigo and deafness, with partial loss of sight, severe pains in my head and eyes, which nearly ran me crazy. I lost all hope in that country, and sailed for America, and was treated at Roosevelt in this city, and by a prominent physician in New York, having no connection with the hospital. I saw the advertisement of Swift's Specific, and I determined to give it a fair trial as a last resort. I had given up all hope of being cured, as I had passed through the hands of the best medical men in Nottingham and New York. I took six bottles of S. S. S. and can say with great joy that they have cured me entirely. I am as sound and well as I ever was in my life. I was so proud of the cure that I wrote to Gloucester, England, to an old companion who is suffering with leucoderma, as the doctors call it caused by Blood Poison. He has arrived here, and is taking S. S. S. with marked benefit. I confidently believe that in a short time he will be entirely well and that after having passed through the best medical hands in England without any good effect. L. # 5 ROUNDABOUT---Supplement.

FRANKFORT, KY., APRIL 17, 1886.

## Forks of Elkhorn.

Mrs. Murry is quite sick.

Miss Sallie Warren is reported sick.

April so far has fooled even the weather prophets.

The 5th and 6th of April, 1886, will be long remembered.

Mrs. Loyd Featherston and Mrs. James Gallahue have been quite sick.

Mrs. Fanny Allen arrived home from Kansas City, Missouri, last week.

Mrs. W. H. Wilkerson, of Scott county, was down here last week, visiting her daughter, Mrs. Loyd Featherston.

Mrs. G. C. Hughes arrived home last week, from a prolonged visit in Ohio; and has been sick ever since her arrival.

The extreme bad weather we have had has caused considerable sickness in our community, even our defeated candidates are complaining.

The members of Mt. Pleasant Church are requested to be at the regular Church meeting, on the fourth Saturday in this month, as business of great importance must be a tendered.

Herod Harris and John Handy, two negro boys, got into a difficulty last Sunday night here, Harris stabbed Handy in the side near the heart with a knife. Fortunately the wound was not deep enough to make it fatal. Harris was arrested, and fined \$15.00 and costs.

The reason why our items did not appear last week was that the *frugal* young man of Woodlake vicinity carried them in his pocket from Thursday morning until late Friday evening. We predict that he will never marry because he will surely forget the day. *Antichrist.*

The grand jury should be notified of the conduct of some young men in this community; their behavior in and around the bridge last Sunday evening. Will the good people here stand such conduct? Let the law take its course for once, and see if things will not be a little better in the future.

The following officers and teachers were chosen at the organization of the Forks of Elkhorn Mission Sunday School hereon the first and second Sundays of the present month. John H. Burdin, superintendent; T. T. Cannon, assistant superintendent; Miss Sallie Ready, secretary; Miss Katie Cannon, treasurer; librarian vacant. Teachers of infant class, Miss Katie Cannon; of primary class, Mrs. Sarah Featherston; of juvenile class, Mrs. Wm. Bedford; of intermediate class, number one, Miss Lulu Cochran; intermediate class, number two, Mr. Wm. Bedford. The comprehensive or advanced class will be taught by the superintendent, or assistant; of the Bible class, Miss Bettie Jones. School meets at Steadman's hall every Sunday evening at three o'clock. Everybody invited, and contributions solicited in behalf of the mission work. May God bless the work and those who contribute to its support.

## Bloomington.

Born.—April third, to Mr. and Mrs. John Haydon, a daughter—Mary.

Mr. Noy Johnson left Saturday on a flying visit to friends in Shelbyville.

Miss Biddle Wallace spent Sunday visiting her friend, Miss Katie Duval.

Rev. John Cannon, of Scott county, spent Monday visiting the family of Mrs. Ellen Flynn.

Mrs. Donie Kring and Jimmie Carr, youngest son of Mr. James Carr, are on the sick list this week.

Mr. Sam Reading has moved his family to his residence about one-half mile from our village.

Miss Birdie Webster returned home Sunday from Woodford where she has been attending school for the past three months.

Married.—Thursday, the 8th, at the residence of the bride's father, Mr. John Malcom, Mr. Roland Walters and Miss Lulu Malcom.

Died.—Friday, the 9th inst., Mrs. Hannah Gravitt, widow of the late George Gravitt, aged sixty-four years. Mrs. Gravitt was a well known Christian lady, having been a member of Bethel Baptist Church for the past forty years. She leaves a large family of children to mourn her loss, who, we hope, may feel that she is

"Asleep in Jesus, blessed sleep,  
From which none ever wake to weep."

The funeral took place from the family residence Sunday at two o'clock, services conducted by Rev. John Cannon. LEO.

## Stoney Creek.

No wedding this week sure.

Farmers are all idle on account of the wet weather.

Mr. Doc Kerlie, we are sorry to learn, is no better, if anything worse.

Miss Malie Moore, who has been visiting relatives on Stoney Creek, returned home a few days ago.

Mr. J. J. Smith, Jr., visited his cousin, Mr. Henry Moore, last Saturday and Sunday, and a number of other friends on Cedar Run.

Mr. Jessie Smith and wife, and William Smith and wife visited A. J. Greenwell and family Sunday.

Mr. Jas. M. Flack, of Bald Knob, spent four days this week with his nephew, A. J. Greenwell.

Mr. J. J. Smith, Jr., is building a car for the purpose of taking pictures. Mr. J. J. is a No. 1 photographer.

Mr. Doc Quinn and wife visited Mr. Jop. Borden and family Saturday and Sunday.

The Hickory Grove correspondent did not have time to write last week. I guess he attended the wedding in the place of Flag and Still.

Mrs. Maria Bewaer has been ill for several days, but is improving.

The boys say that they took Payne, killer until the 3d, but now they drink Smith's tonic.

The election talk is still raging. It is all about the combination.

Mr. Jas. A. Violet says he was beaten fair and square. Mr. Violet is a clever gentleman. We hope we can help him to some higher office, as he made us the best attorney we have ever had.

## Harp.

Born.—To Mr. Thomas Hazlewood and wife, near here, April 9th, a fine son; weight 9 pounds.

Mr. Wm. Harper has a splendid milk cow he wishes to sell. Anybody wishing one would do well to come and see her.

Mrs. O. B. Polsgrove, A. B. Polsgrove and wife, W. S. Polsgrove and wife and H. D. Harrod and wife, are visiting at Mr. Henry Polsgrove's to-day.

Still raining. Farmers have done but little plowing yet and not much prospect for any. If it don't stop raining pretty soon they will be late with their spring work.

We are to have two schools in this place, commencing to-morrow, one by Mrs. Dr. Willson and one by Miss Mary Bell Semonis, of Frankfort. If the children of this district don't get an education it will not be for want of schools.

Our town is improving very fast. Rev. J. Peters is having his house fixed up, which adds to the appearance of it very much. Messrs. Hugh Burns and John Perkins are completing building a saw and grist mill as soon as they can buy the machinery.

Some of our boys have got very long faces over the election. They should take their defeat easy and prepare for the next time. The worst thing about their defeat is, it was done by voters from Henry, Shelby and Woodford counties and mountain ruffians. When Franklin county can't hold an election without such doings that is it time to quit. Wicked, money and corrupt men in our elections are fast demoralizing our country and I think it is time to put a stop to it before the rising generation is ruined for ever.

Mr. Editor—I would like, through your columns, to call the attention of our representatives, as well as the citizens of Franklin county, to the number of ex-convicts that are citizens of our county. Some time back I heard a citizen of Frankfort say, that some ten years ago, on the occasion of a friend making a race in the city of Frankfort, he investigated the negro voters of the town and found more than one hundred ex-convicts among the negro population. What must the number be now? I do not think, for a moment, that all ex-convicts are bad men, on the other hand, many are sterling men, who, in the heat of passion, have committed acts, repented of as soon as done, that have rendered them amenable to the laws of their State. But we must admit that many of them are bad men, beyond the hope of reform. They make their homes here among us. Some from choice, others from lack of means to repair their former homes. After a short time many of them come to the front again, either in the Circuit or Police Courts. By this means Franklin's criminal list is made much larger than it should be, besides adding greatly to the cost of criminal prosecution, just so much more than we would otherwise have. We can produce as many bad men as we have need of, at home, without having to import from all parts of the State. Every one, I care not who, has more or less influence, that they exert on one or more persons; if

for good, all right; if for bad, all wrong. I believe it is now the custom to release the prisoner, at the prison door, with a small sum of money, that in many instances is inadequate to take him home. In place of this procedure, would it be any more than just and right for the State to return all prisoners to the counties from which they were sent?

I have heard that there was a law covering this point, but have not been able to find it. If not there certainly should be one, in justice to Franklin. Would it not be well, before the close of the session, for our Representative to investigate the matter? JUSTICIA.

## Bridgeport.

Warmer.

Very much like Spring.

Vegetation puts forth rapidly.

Fruit reports now in order.

The Club meetings seem to have subsided.

A promise to a child should never be broken.

Bob Sargent is on a visit to Jessamine county.

Billie Jackson was quite sick several days last week.

So far as we are advised the sick are all improving.

Mrs. Wm. Miller has been quite sick again this week.

The heaviest rain fall this season occurred here last Saturday.

Misses Emma Jenkins and Lizzie Jackson are on the sick list.

Born.—April 11th, 1886, to Mr. Joe Spaulding and wife, a daughter.

Mr. G. W. Hall paid a visit to friends at Winchester this week.

Mr. James Dorsey and wife are on a visit to friends and relatives in Shelby county.

Mr. Wm. Miller was considerably bruised by a horse kicking him last Saturday.

Capt. John W. Daniel, who resides at Mr. Joseph Parent's, sr., is very much indisposed.

We think it quite likely Irish potatoes will be planted in the dark of the moon after all.

The heavy rains the first of the week did considerable damage to those bordering on water courses.

From the number of tin peddlers that visit this place weekly we should judge the business to be very remunerative.

Mrs. Sarah B. Freeman has returned home from an extended visit to her daughter, Mrs. Oscar Farmer, Louisville.

The Wade Bros. and Towles left this week to comply with their contract. The construction of a pike near Alton, Anderson county.

Several young men of this neighborhood are engaged in pike building in Anderson county on the Wade and Towles contract.

Sunday-schools have been organized in the following churches in this vicinity, viz: Franklin, South Benson and Evergreen.

Regular services at South Benson Church to-day and to-morrow, at 11 o'clock a. m. each day. Rev. T. J. Stevenson pastor.

Rev. J. B. Jones preached at the Bridgeport Christian Church last Sunday at 11 o'clock a. m. and Rev. Harville Dennis, Methodist, at the same place at 3 p. m.

A fine rifle was found a short time since on the pike between this place and Frankfort, which the owner can hear of by calling on C. H. Parent and paying for this notice.

We not infrequently see persons, whose love of sport predominates, encouraging children, little boys, to fight. This is criminally wrong, to say the least of it, and deserves the strictest censure.
